HEAR Report from Acting Superintendent
- Acting Superintendent Nelson welcomed Dr. Carole Goldsmith, president of Fresno City College who was in attendance. She joined a few of our staff members in a presentation about a unique partnership to relocate our Design Science High School into permanent facilities built on the Fresno City College campus.
- Nelson also shared there would be a presentation about a recommendation to add school-based health centers on school sites. The district is now looking to partner with Clinica Sierra Vista and Valley Children’s Healthcare to expand centers to six school sites. The plan is in two phases. The first phase includes funding from Valley Children’s Healthcare for the buildings, Clinica Sierra Vista providing the services, and Fresno Unified providing nursing and case-management services. Prior to the second phase of expansion, the district will revisit the plan with the board.
- The district’s new emergency notification system, Rapid Alert, was launched with a text message inviting parents, guardians, and staff to Opt in. For staff who did not receive the test alert, an email was sent with instructions for registering. While we hope we don’t have to utilize this technology very often, it’s good to know we have it and can reach parents and staff quickly in the event of an emergency.
- Finally, the district hosted the annual Excellence in Education awards banquet at the Golden Palace Banquet Hall. Of the 49 finalists, five employees won the district’s crystal award, special congratulations to:
  - Classified category: Office Manager from Turner Elementary, Tianna Gonzales;
  - Elementary certificated: Aynesworth, Teacher, Judith Sanchez;
  - Middle School certificated: Ahwahnee, History Teacher, Stephen Ruiz;
  - High School certificated: Edison, Campus Culture Director, Fabiola Perez; and
  - Administrator: Teacher Development, Administrator, Teresa Morales-Young.
- Three of these crystal award winners, Tianna, Fabiola, and Teresa, will go on to represent Fresno Unified at the Fresno County Office of Education event next fall.

On a motion by Member Davis, seconded by Member De La Cerda, the consent agenda, exclusive of agenda items: A-5, A-10, and A-12 which were pulled for further discussion, was approved on a roll call vote of 9-0-0-0 as follows: AYES: Student Board Member Riar and McCoy, Board Members: Cazares, Davis, De La Cerda, Johnson, Jonasson Rosas, Mills and President Ashjian.
A. CONSENT AGENDA

A-1, APPROVE Personnel List
APPROVED, as recommended the Personnel List, Appendix A, as submitted.

A-2, ADOPT Findings of Fact and Recommendations of District Administrative Board
ADOPTED, as recommended the Findings of Fact and Recommendations of District Administrative Panels resulting from hearings on expulsion and readmittance cases conducted during the period since the January 25, 2017, Regular Board meeting.

A-3, APPROVE Independent Contractor Services Agreement with Fresno County Superintendent of Schools, Early Care and Education Department
APPROVED, as recommended. Fresno County Superintendent of Schools (FCSS), Early Care and Education Department along with Children Services Network and the Fresno Economic Opportunity Commission are participating in the Fresno Language Project under the David and Lucile Packard Foundation grant, Starting Smart and Strong Initiative. The services will support the innovative practices of the Fresno Language Project.

A-4, APPROVE Amendment to the Citizens’ Bond Oversight Committee Bylaws to Include Oversight of Measure X Expenditures
APPROVED, as recommended amended Bylaws of the Citizens’ Bond Oversight Committee (CBOC) to reflect previous Board action to designate the CBOC with responsibility for expenditure oversight for Measure X as well as Measure Q. The amended CBOC Bylaws also remove “Measure K” from the Bylaws, as all Measure K bond proceeds have been expended and there is no longer need for oversight. The CBOC reviewed and approved the recommended amendment to the Bylaws at the January 24, 2017 Oversight Committee meeting.

A-5, APPROVE Agreement with MGT of America to Conduct Facility Conditions Assessments of All Schools
PULLED for discussion APPROVED, as recommended an agreement with MGT of America to conduct facility conditions assessments of all district schools. The agreement is in the amount of $359,863 and is for the period February 9 – June 30, 2017. It is anticipated that the school site evaluations will be conducted in March and April with assessment reports to follow. The purpose of a facility conditions assessment is to objectively determine, using independent facilities experts and a standardized rating tool, the existing conditions of school buildings and grounds. Results of the facility conditions assessment will be combined with other factors/criteria to help guide the planning/prioritization of future Measure X projects.

For the record, comments/questions were made regarding the rationale in picking MGT of America instead of going through a Request For Proposals (RFP) process, would the assessment change any of the projects that have already been discussed with Measure X, will the assessment be an overlay to the existing facilities Master Plan and are we providing them data regarding enrollment, will projects discussed for Measure Q remain the same,
what is MGT actually assessing. Chief Operation Officer Karin Temple was available to answer questions and provide clarification. Member Davis moved for approval, seconded by Member De La Cerda, which carried a 7-0-0-0 as follows: AYES: Board Member Cazares, Davis, De La Cerda, Johnson, Jonasson Rosas, Mills and President Ashjian.

A-6, **APPROVE Use of Individual Piggyback Contracts in 2016/17**
**APPROVED, as recommended** piggyback contracts proposed for utilization during 2016/17. Piggybacking is authorized under Public Contract Code 20118 and is a best practice that takes advantage of competitive pricing from a contract formally bid by another school district or public agency. Approval does not commit the district to purchases or use of any specific contract. Purchases associated with piggyback contracts will be presented to the Board for ratification on a future purchase order report.

A-7, **APPROVE Award of Bid 17-15, Disposable Meal Trays**
**APPROVED, as recommended** Bid 17-15 for disposable meal trays to serve school meals under the National School Breakfast Program and National School Lunch Program. The request for bid was lawfully advertised on December 15, 2016 and December 22, 2016. The bids were opened on January 5, 2017. Notifications were sent to nine (9) vendors, and the district received one (1) response. The bid is for a one-year term price agreement with the option to extend for two additional one-year periods.

Staff recommends award to the lowest, responsive bidder:

Plastic Packaging Inc. (Sacramento, California) $1,452,646

For the record, comments/questions were made regarding reasons for abstaining to the vote by President Ashjian as follows: "Davis Moreno Construction is a vendor included in the change orders comprising Agenda Item A-10. I have been a subcontractor for Davis Moreno Construction on other projects not involving Fresno Unified and therefore, I have an indirect financial interest in this vendor's purchase orders. However, because I have done work with Davis Moreno Construction for at least 5 years prior to my election to this Board, my conflict is remote and therefore, I am abstaining from this vote pursuant to Board Bylaw 9270." President Ashjian: "Davis Moreno Construction, Todd Companies, Inc., Elite Landscape Construction and Expo Party Rental are vendors included in the Purchase Orders for November 1 through December 31, 2016. Because I have been a subcontractor for Davis Moreno Construction on projects not involving Fresno Unified and because I have done business with the other three vendors on non-Fresno Unified projects, I have an indirect financial interest in these vendors' purchase orders. However, I have been working with Davis Moreno Construction, Todd Companies Inc., Elite Landscaping and Expo Party Rental for at least 5 years prior..."
to my election to this Board, my conflict is remote and therefore, I am abstaining from the vote on these vendors pursuant to Board Bylaw 9270." Clerk Cazares: “M Street Arts Complex, doing business as FFDA Properties LLC, is the vendor for purchase order number 452418 as stated in item A-12. FFDA Properties LLC is owned by Assemi Brothers. I work for Assemi Brothers, and I have worked there for more than 3 1/2 years. I am not an officer or director of the company. I do not own any stock in the company. I did not participate in formulating the bid for this contract. Therefore, I have a remote financial interest in this purchase order under Government Code section 1091, subsection (b)(2). Addams, Bakman, Duncan, Sequoia, Sunnyside and Tehipite have been identified based on data specific to health indicators and access to healthcare, and site ability to accommodate a health center facility.
